

MESSAGE FROM THE ACTIVITY COMMITTEE CHAIR:

Happy February! We have many activities going on. I hope you all consider taking part in some of them. See the calendar in this newsletter for some ideas! I see so many of you keeping active, and I especially like the inspiration I get by watching people participating in activities and also walking/biking by my house.

Celia has been bouncing around drumming up business for our entertainment events! It's nice to see her smiling face! Special thanks to the office staff for assisting in our ticket sales. Their involvement really makes things run smoothly for our events! We have some great entertainment coming up this month. Be sure to attend the performance of Anthony Hernandez, Magician on Feb 7th! Other entertainers are Corey Spector, Feb 11 and Comedian Moody McCarthy, Feb 21.

FROM YOUR ENTERTAINMENT COORDINATOR

December's entertainment season at Green Valley RV began on a high note with Clear Country taking the stage. Clear Country brought not only great music, but also a wonderful sense of history and camaraderie among the band members, which

made them a pleasure to watch. The audience was clearly enjoying themselves, with plenty of dancing and smiles throughout the evening. It was a fun and entertaining night, and a terrific way to kick off our December shows.

From Your Entertainment Coordinator

What an amazing month January turned out to be — from my perspective, it was packed with great music, fantastic food, and even better memories!

We kicked things off on the 10th with Short Notice Band, and wow... the dance floor was full from start to finish! They brought us a mix of music that had everyone moving — line dancers were out in full force, we were twisting, moving, grooving' and dancing to the hits. It was a true “something for everyone” kind of night. The band enjoyed being here so much, they begged me to get them back on the calendar for next year — and I think that says it all!

I also had the pleasure of working with the January Block and Carole Drewis to bring Nehemiah Brown back to our stage. Sharon, Carole and the entire January Volunteers prepared and served a fabulous Beef Stroganoff dinner followed by Nehemiah who brought his music, stories, love for God and Country for 2 fabulous hours. A big thank you to the January Block and Carole Drewis for putting together such a fantastic evening.

On the 17th, we hosted Digital Dance, to a good turnout. Steve is really enjoying being “DJ Steve,” and it shows! This is such a fun event because you get to pick the music. Whatever you want to dance to, just put it on the list — and you're guaranteed to hear it. Steve will download your requests, which is something you won't find at any dance club in town. film

Movie Night - Our 60's Classic was To Kill a Mockingbird; powerful lessons of empathy as seen through the eyes of a child. Sparks reflection...Jane's Magical Popcorn was a hit! Jane will be popping for our February 70's Classic - February 15th, whatever it may be - List is on the Entertainment Board; add your 70's favorites, I tally the winner the Sunday before, and the Movie with the Most write-ins, check marks, etc... Wins!

Karaoke is on Fire! Best free show in Town!

And then... the Sock Hop! I mean, come on — if that's not right in our wheelhouse, I don't know what is. The January Block provided fun period-correct (snicker), snacks, and we all had a blast twisting the night away to 50s and 60s classics with Johnnie & The Rumlbers. It was the perfect mix of nostalgia, fun, and community. Thank you so very much to Jane & Dorothy. I could not

have pulled the night off without you both! Thank you for helping with the food, rootbeer floats and Jane's Magical popcorn.

Thank you to everyone who came out, danced, laughed, and made January such a memorable month. Here's to keeping the good times rolling! 🎵 🎸 🎤 Celia

Celia doing an excellent job.

🎸 February Fun at Green Valley RV Resort!

The Super Bowl Squares with \$2, \$5, and \$10 boards will help keep things interesting. The February Block will be firing up the grill with hot dogs, so come hungry and ready to have fun! Time to be determined. **Free Event.**

On February 11th, we welcome Corey Spector for an afternoon of music (1PM-3PM) and entertainment. The February Block is supplying lunch instead of an evening

Movie Night with a 1970s Classic will be in the Ballroom at 6PM February 15th. Be sure to write your favorite '70s movie picks on the Entertainment Board. We'll be choosing the winning movie on February 8th, so don't forget to add your 's favorite to the list. Popcorn and a

Movie 🎬 Free Event

Then on Saturday, February 21st, get ready to laugh with comedian Moody McCarthy! I've watched his videos, talked with him, and I can tell you — he's hilarious and really connects with our age group. The show runs 6:00–7:00 PM, and the February Block is serving up a lite meal before the show. Dinner and comedy? Yes, please! Tickets \$15 (Included in Season Ticket Package)

Digital Dance returns on February 28th, and DJ Steve is ready to play your favorite songs. Just list what you'd like to hear on the Entertainment Board, and Steve will download them and have them ready for the night. Let's dance! 🕺 🕴 Free Event

With an illusionist, a comedian, live music, movie night, dancing, and plenty of food and fun, February is packed with great entertainment. I look forward to seeing all of you out enjoying the shows and activities!

Get Ready for Our Annual No Talent/ Talent!

Mark your calendars for March 21st, because our annual No Talent(Talent!) Show is coming back—and I already know we've got some hidden stars in this community! I've heard you sing at karaoke; I've seen you jam at music sessions, and let's be honest... we've got plenty of "characters" around here who were born for the stage.

Whether you sing, dance, tell jokes, play an instrument, or have a “talent” that’s more on the creative side, we want to see it! Talk to me, email me, text me—let me know what you’re thinking about bringing to the show.

Sign-up sheets will be going up on the bulletin boards at the end of February, so start getting your acts together now. Gather your group, plan your performance, and be ready to snag your favorite spot in the lineup.

This is always one of the most fun nights of the year, and I can’t wait to see what you all bring to the stage! 🎤 ✨

DISCUSSION GROUP

The Discussion Group meets every Friday in the Library at the Clubhouse from 10AM-11:30. The Friday Discussion Group is comprised of 8-12 individuals who enjoy getting together to learn from each other through discussion on a variety of topics. Sometimes we discuss philosophical ideas, and sometimes we discuss items in the news. We are open to whatever topics may be of interest to members at any given week. We do our best to let each person discuss their opinions and views without interruption and we enjoy discussing ideas that are different than our own. The main purpose of the group is hearing views that differ from our own and learning through discussion. We approach every view as a legitimate opinion without

judgement as best we can. The topic for any given Friday is sent out 5-6 days before, so we all can individually think about it and prepare for a meaningful, intelligent discussion. We do not try to reach consensus, just learn and we carefully listen to understand whatever anyone is saying.... whether we agree. We agreeably disagree as needed. Through listening and discussion, we hope to expand our understanding of living in this crazy world. Come join us!

ONSITE AED – AUTOMATED ELECTRONIC DEFIBULATOR

Green Valley RV Resort is fortunate to have an AED onsite in the clubhouse available for use in the event of a cardiac-related health emergency. We are also blessed to have both resort residents as well as park personnel who have completed Red Cross training in it’s proper use. This training included current recommended CPR procedures as well as basic first aid skills. The AED is located on the wall outside of office’s back door across from the card table area. The AED’s purchase was funded by your Activity Committee. In each of our park’s newsletters, there is a list of these trained responders. We suggest you cut this list out and post it in your residence for quick access.

In the event of a cardiac-related medical emergency, immediately call 911 to get the ambulance rolling. Then contact a local park responder from this list to hopefully arrive quicker with our AED and begin lifesaving first aid while the ambulance is enroute.

We are very fortunate to have both the AED onsite and trained responders here in the park. Please familiarize yourself with who they are and who lives closest to your lot. Also please extend a sincere THANK YOU to these park responders for their willingness to assist in the event of a medical emergency.

We will have another class in AED training in January. This session will be taught by our local Santa Rita Fire Department personnel. Once training is complete, I will publish an updated responder list via Partyline.

Important Things to Know:

- Our mailboxes are small, so pick up your mail daily.
- Our mailroom is not a post office; we do not sell stamps or process packages for mailing.
- We do not hold packages for pickup by delivery service companies.
- Please let us know when you arrive in the park so we can open your box.
- If you intend to receive mail using an alias/business name, let us know! We go out of our way to get mail to its intended owner, but if we don't know who it belongs to, we will return it to sender.
- Let us know when you are traveling or leaving for the season. We will hold or forward your mail. It will also ensure that we have your correct forwarding address for your forwarding labels.
- Make sure you change your forwarding with the United States Postal Service (USPS). Just telling us to forward your mail does not change your status with the USPS. It's our policy to only forward first-class mail for 30 Days.
- We do not handle "postage due" mail. You will receive a notice from the USPS mail carrier and may have to go to the post office to pay and receive your mail.

In-Coming Mail

The Green Valley Post Office delivers mail and packages in bulk to our mailroom between the hours of 11:30 AM and 3:00 PM six days a week. Staff sort and place your mail and package notification (green card) in individual boxes the same day mail is delivered. A bunch of flowers are placed outside on the north side of the clubhouse to let you know mail is sorted and ready for pick-up. Packages may be picked up from the office anytime during business hours; a green card is required for us to turn over the package to you.

Packages you order may be delivered directly to your lot by Amazon Prime, United Parcel Service (UPS), FedEx, and other private carriers, so be sure to use your current lot number to ensure proper delivery.

If you receive incorrect mail or have something for someone in the park, just drop these items into the "In-Park" mail slot located to the right of the mailboxes or turn them into the office.

Bulk coupons are placed in a rack hanging on the mailroom door.

Out Going Mail

Outgoing mail is picked up by the USPS six days a week from the "blue" mailbox located outside the clubhouse north entrance per the schedule posted on the box.
